

A Case for Christ

– Kumaru Nadesan

A Kenyan lawyer filed a suit in the Nairobi High Court against the illegal trial and execution of Jesus of Nazareth citing the human rights violation, premature judgement and cruel torture. However the court refused to entertain this case after which the lawyer appealed to the International court of Justice in the Netherlands.

True, the Lord Jesus Christ was unjustly tried and condemned to death. False witnesses rose against Him and heaped false accusations upon Him, but none could establish any evidence against Him. After thorough examination, Pilate, the Roman Governor declared that he found no fault in Jesus. But in spite of the impeccable life of the Lord Jesus Christ, the vulgar mob clamoured for His blood. Though Pilate was convinced that Jesus was innocent, yet he condemned Him to death to

please the blood thirsty mob. The Lord Jesus Christ was subjected to humiliation and cruel torture. The same crowd that joyfully sang Hosannas to their King (Jesus) rejected Him a little later and led Him outside the city walls and thus He “suffered without the gate”.

But truly it was God who was pleased to bruise Him, torment Him and put Him to grief. The Father has not only allowed men to bruise Him but awakened His own sword against His Son, the Lord Jesus Christ. It was none but the Father who placed the bitter cup in the hands of His beloved Son. Jesus was thus smitten of God, bruised of God and crushed of God although the Blessed Son had done no violence nor was any deceit found in His mouth.

Why did God the Father do so? It was because God made His Son a sin

and a curse for us. It was because the Father has laid upon Jesus the iniquity of us all, the wickedness of us all, the immorality of us all, the unrighteousness of us all; that is your sins and my sins were laid upon Him and He was punished.

Prophet Isaiah aptly says, “...He (Jesus) was wounded for our transgressions; He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed.” Dear reader, what do the wounds of Lord Jesus Christ mean to you? What do the bruises of Lord Jesus mean to you? And what do the stripes of Lord Jesus mean to you? Here is a solemn opportunity to save your soul from eternal hell fire by trusting in the Lord Jesus Christ!
